BRIEF ABSTRACT OF LETTER.

Recommends for sanction the proposal of the District
Board to establish toll gates at the following places.

- Malavally 1) At the junction of the Maddur - Sivasaundram Road & Jalalad Sivasaundram road
Jal. a
- TNaranip 2) At Madapur on the Madapur - Kalizur road -
- Chambezaj- 3) At Landanna Katti on the Honlaude - Kollegal road.
Nagar Taluk

NOTES AND ORDERS.

If the proposals are to be sanctioned it may be
 necessary to consult the Residency as the places
 are reported to afford an entrance into the
 district from the British territories.

2 Submitted for orders as to whether information

K.P.

from

16. The President Dt Bd. Mysore N. 515 dated
17th January 1910

Reports that the site of the proposed toll
gate in the Malavalli Taluk is 2 furlongs
from the British frontier and that the British
authorities have opened a toll gate at
Haravampura at a distance of $12\frac{1}{4}$ miles
from the proposed site.

The proposals of the District Board ^{are} to establish
gates at 3 places the details of ~~which~~ their distance
from the British frontier etc are as given below

Name of road.	Site selected.	Distance of site on the British frontier	Distance of British toll gate from the proposed
Maddur-Sivana Saundram road. Tal Kad - Sivanasaundram road	At their junction in Malavalli Taluk near Malgyatnahalli	2 furlongs	$12\frac{1}{4}$ miles (Haravampura)
2. Kowlandy-Kollegal road	^{At} Jandamma Kattu Chamrajanagar Taluk.	9 miles 3 furlongs	About 14 mi ~~but~~ state to be about 5 miles by the President (Maduvanhalli)
3. Madapur-Kaligpur road	At Madapur first recommended by the Bd At Kaligpur subse- quently recommended by the District Board	$6\frac{1}{2}$ miles 2 furlongs	There is no British toll gate on this road.

The sketches P. Q. R. show the several situations
submitted for orders as to whether ^{further} information
and a consolidated sketch for all 3 roads
K. P. of may be called for.

	It was
	11

Madapur - Kaliyan road is one which has very recently been formed by Revenue Agency and is not ~~entire~~ a main ~~an arterial or main thoroughfare~~. A provision of Rs 500 is being made under B II Repairs for the annual maintenance of this road. The object with which toll is proposed to be levied is to subject the traffic from British territory to taxation. It may perhaps be necessary to intimate to the Residency the proposed intention of opening a toll gate near the frontier. Please see Residency letter no. 905 dated 7th April 1892. As regards the establishment of a toll gate near Sivasamundram the points for consideration are (i) Whether it would be fair to open a new toll gate in close proximity to the one ~~or~~ established by the Sivasamundram Jaghirdar ^{and here} ~~at Sivasamundram~~ the traffic by ^{creating} ~~causing~~ the annoyance of having to face a second toll gate almost immediately after having been stopped at one (ii) Whether it would be legal to open a toll gate within the Jaghir limits as indicated by the sketch. The establishment of a toll gate at the

Serial
No.

Swanasamudram bridge was once before
proposed and no definite orders were
passed on the proposal ^{as the} ~~matter~~
matter was not pressed. The toll gate established
by the Jaghirdar is on the British side.

U

Please see the notes in book VI of G. 7. 27 of 1894

V

and G. O. N^o. 11190-97 / 27 190-93 d 22-1-189

23

As regards the proposed toll gate in the
Chamarasamudram Taluk, the portion of the
Kowlandy-Kollegal road within the
of the Yelandur Jaghir is ^{probably} not maintained
from District funds. The opening of a toll
gate at Santamarahally, ~~as proposed~~
~~proposed to be established~~ will
probably press heavily on the traffic from
the Yelandur side to the Santamarahally
market where a large number of carts
collect on the Sante day. Fees are levied
on carts coming to the Santamarahally market
so that the tolls may prove an additional imp.

24

The President states that the 3 toll gates
now proposed were perhaps omitted in-
advertently, while the establishment of toll
gates in the Mysore District was sanctioned in 1894.
The toll gates then sanctioned were on
those ^{main branch} ~~provincial~~ roads in which British
toll gates existed & Government were not

Serial
No.

~~then~~ disposed to Sanction the tolls on other roads. The roads on which tolls are levied at present in the Mysore District are provincial roads leading to British territory on which British toll gates exist. ^{on which the traffic is} The roads now proposed would be District Fund roads. But there does not exist any legal disability to Sanction the levy of tolls on District Fund roads. Vide Chief Commissioner's notification published under ~~and~~ para 61 of the Rules under the Regulation. Submitted for orders K.P. 25. The office note above 6/5/10 fully sets forth the objections to sanction the proposal of the District Board.

26. The proposal to open toll gates on the ~~proposed roads~~ ~~proposed roads~~ Mysore territory at such short distances from the British toll gates is not likely to be agreed to by the British Govt. The toll gate proposed to be opened on the ~~proposed road~~ is likely to press hard on Mr. J. J. Janger also. Nevertheless,

the revenue is credited in equal proportion to Provincial and D.F.

Serial
No.

it is thought that the proposals may be favourably considered. The President ^{may} be asked to report on what kinds of ~~ex~~ vehicles and animals and at what rates it is proposed to ~~be~~ levy tolls at the new stations and submit a resolution of the Dist. Board in the matter. He may also be asked if any expenditure has to be incurred on account of the toll gates and what it amounts to and whether at the rates proposed, the income will be as given in his letter dated 29th April.

27. Toll gates may bring some revenue to the District Board but they are harassing to agriculturists residing in the ~~vic~~ vicinity and in the interest of agricultural industry it is not desirable to impose additional burden on the ryots unless it is absolutely necessary to do so.

Secy)

14.5.60

2111

2375 3.6.10	Serial No.	29 Please recapitulate the objections and ask them to be placed before the Wb Board of Mysore Distt. for reconsideration of their proposals 30 Is it fair to subject the traffic to a double toll on Sivasaundam, the pighi dar is already levied there 31 The weekly fair at Sante masaballi has become a well established & popular institution and a cattle mart. Will not a toll gate here affect the traffic to some disadvantage? Then what about the Yelandur pighi? The road within the pighi is said to be maintained by the pighi dar. His consent would appear to be required for opening the toll gate 2nd. The Kalyan road is a newly made road owned by

No 10876 d 9. 6. 1910.

Calls for further particulars
regarding the toll gate in question
& enquires as to what kinds of
vehicles and animals tolls will be
levied and at what rates, & whether
any expenditure will have to be
incurred on account of toll new
toll gate, toll house & other buildings
etc.

Serial
No.

837 From the President of the Dist Bd
Mysore. No 160 of 13.9.1910

Turns the information called
for regarding the proposed tollgate,
states that the three toll gates may
be established as proposed, that
the annual income from each of
these gates will be about Rs 1000,
that the cost of constructing toll
gates & houses at each place now
will be Rs. 300 & that the establish-
ment charges will amount to Rs 500
at each gate & that after a year
or two the right of collecting toll
may be farmed out thereby saving
the establishment charges

Muttu add 300
a 250

38 The President thinks that
the Jahaajidan of Sivasamudram
cannot raise any valid objection
to our establishing a toll gate
on our road. He overrules the
objection of the Chamarajnagar
Taluk Board as regards the
proposed toll gate on the Kowland
Kollal road. The Taluk Board
is of opinion that by our establishing

Serial
No.

Establishing a toll gate the traffic
to the Santemarahalli Weekly market
may suffer

39 submitted for orders. The

net revenue from tolls will have to be

23.9.1910 divided between the Provincial and D.G.,

as in the case of revenue from all existing

tolls in the Mysore District in equal proportions.

KTK
24.9.

40 The opening of a toll-gate
at Santemarahalli on ^{the} Howwanda
Kollegal road does not seem
to be expedient. The Chamaraj-
nagar Taluk Board do not
approve of this proposal on
an account of the inconvenience
to traffic which will be caused
thereby (Vide their resolution
dated 6th Aug 1910).

41 For a similar reason,
the opening of a toll-gate at
the junction of ^{the} Maddur Sivasa-
mudram and the Talukad Siva-
samudram roads seems also
unexpedient - The former being
a Provincial Road, the D.P. W.

Serial
No.

should be consulted before
coming to a decision. I feel
inclined to consider the
proposal favourable.

42 The proposed toll gate at
Kalyan on the Kalyan-Mada
Bair road will be only $7\frac{5}{8}$ miles
from the British toll gate.
The Intimation should be given
to the Maratha authorities and
their objections, if any, heard
before sanctioning the proposal.

(C.R.) 26.9.10. Ill

-9-34
28.9.10

43 The opinion of the Chief
Engineer may be obtained
both in respect of the Provincial
& District Roads - Whether the
proposed toll bars are really
necessary and will not
prove harassing to traffic.

45 The toll bars in question seem unnecessary in view of the procedure adopted in British Territory. But they may harass traffic to some extent and reduce its volume.

46 2. The total amount to be obtained from the three bars is estimated at Rs 2,750. If the District Board can raise this money from other sources it is better to allow the traffic to go free. For the prosperity of the Country, which depend on increased commercial intercourse with our British districts.

47 3. There appears to be no objection on principle to the toll bar proposed at Suvarnamudram.

48 4. It is for consideration whether the proposed toll bar at Sankumarahalli should not be placed at the crossing of the two roads at the Village itself, instead of near the boundary of Yelandur Jaghri. I understand a small fee is charged at the weekly fair at Sankumarahalli. There may be one toll bar for both purposes.

49 5. As the Kalayur road was only newly opened, it may not be

Serial
No.

advisable to establish a toll gate on it
till traffic has developed to some extent.
If established at all, it should be done
as an experimental measure.

Enclosure No. _____

OFFICE OF THE PRESIDENT OF DISTRICT AND
MUNICIPAL BOARDS, MYSORE DISTRICT,
Dated, Mysore 9th June 1909.

From

Mr. Kasettharaj, Esq., B.A.

President of District and

Municipal Boards, Mysore District.

To

Mr. Chandrashekhar Aiyar, Esq., B.A. B.L.

Secretary to Government.

General and Revenue Departments.

SIR,

Adverting to Government order No 18107-817 19093 C
of the 26th April 1894, sanctioning the establishment
of toll gates at the frontier of the District. I
have the honor to state that the marginally
noted three places which afford an entrance
into the District from the British Territories
have been omitted perhaps inadvertently. In
view to remedy this the respective Taluk Boards
were consulted and they are in favor of
establishing toll-gates at the places —
marginally noted. The District Board
at its meeting held on the 29th May 1909
supported the Taluk Board's recommendations.
Extracts from the proceedings are herewith
enclosed for reference.

2. Taking into consideration the same

that

Enclosure 1 - The sanction of the Government - Surveyor General Board & District Board
T. Kasettharaj Esq. - At the frontier of the District - Mysore District
Chandrashekhar Aiyar Esq. - At the frontier of the District - Mysore District

2
that the traffic from the British Territory,
not entering the District on the other roads
is tolled on to maintain the roads - both
trunks and branches - in a fair trafficable
condition, it seems to me reasonable that
all the traffic plying on our roads should
be subjected to the same conditions, and
the agriculturists and others in the
vicinity of toll-gates whose carts would
have to frequently ply on the roads -
whereon the toll-gates are located, have
the option of compounding for payment
of tolls (vide G.O. No 1369-76-LR 81-05-16)
10th August 1907), no unreasonable hardship
is imposed by opening out toll-gates now
proposed.

3. The District Board at present spends
nearly one half of its income on the
maintenance and construction of roads.
Consequently the various other demands
made on the Board are being put off
for

for want of funds. The Local Boards Regulation
No II of 1902 authorizes the levy of tolls.
Under these circumstances, I request that
Government may be pleased to accord
sanction to the proposal of the Board.

4. A sketch showing the place at which
the Basavalli Taluk Board proposes to
locate its toll-gate is herewith submitted.
The other two places are easily identified
by a reference to their respective Taluk
maps.

I have the honor to be,
Sir,
Your most obedient servant

XXVII Read Chamarajanagar, Malavalli and T.

T. Narasipur Taluk Board's resolutions dated
20th, 25th and 25th May-1909, respectively
recommending the establishment of toll-gates
on the roads leading on side the Mysore
Province, as detailed below:—

Malavalli Taluk:— at the junction
of the Maddur - Sivasamudram road and
Talaked - Sivasamudram road.

Chamarajanagar Taluk:— At Taudama-
-nakette on the Kollenedi - Kollegal Road.

T. Narasipur Taluk:— At Madapur on
the Madapur - Kaligur Road.

The Board considering that the traffic
coming into and going out of the province
in the other frontier Taluks of the District is
tolled on, were unable to understand why
toll-gates.

Toll-gates were not established at the above
three places and they do recommend for
the sanction of Government the resolutions
of the Taluk Boards.

Sir,

With reference to your docket No 187-L.B. 414-08-2 of the 7th July 1908, — calling for certain additional information re: the establishment of toll gates at the marginally noted places, I have the honor to state as follows: —

2. Toll-gate at Madapur on the Madapur Kaligum Road in the T. Nardipur Talug:— The Amildar while submitting the required sketch recommends in his report No 67 of the 1st August 1908 that the toll-gate may with great advantage be located close to Kaligum at the point marked "B" in the sketch, as this would prevent traffic from evading the payment of tolls. The site first proposed and marked "A" in the sketch is 6½ miles and the site now proposed is two furlongs, from the British Frontier. The change in the location of the toll gate has been approved of by the Talug Board; and a copy of its resolution is herewith submitted for reference. There are no British toll-gates on

1. T. Nardipur Talug: —
at Madapur on Madapur Kaligum Road.
2. Chendrasekaraiah Talug
at Sandamakkatti on Kowlandu Road.
3. Chendrasekaraiah Talug
at the junction of Madapur Sandamakkatti Road.

on this road. In this connection it may be added for the information of Government that a sum of Rs (4,300) has been spent for the formation of Madapur-Kaligur Road, and that a sum of Rs (500) is annually required for its maintenance.

3. The toll-gate at Tandammakatte on the Kowlande-Kollegal Road; in the Chamarajanagar Taluk;— The distance from this site to the British Frontier is about (9) miles and (3) furlongs, and at a distance of about (5) miles from it (i.e. the site proposed for the location of toll-gate) a British toll-gate at Maduvana-halli is located. A sketch showing these positions is herein enclosed.

4. The Toll-gate at the junction of Maddur-Sivathamudram and Talakad-Sivathamudram roads in the Malavalli Taluk. — The information furnished and the sketch submitted by the Taluk being incomplete further report has been called for; and on receipt thereof, a second communication on the subject will be made.

I have the honor to be,

P. S. Balasubramanyam Esq., B.A.,

Offg. Secretary to Government.

General and Revenue Departments.

Sir,

With reference to your letter No. 6678-HE
414-08-5 of the 3rd February 1910, regarding
the proposal to establish toll-gates on certain
roads in the Taluk of Malavalli, Nandipur
and Channarayana, I have the honour
to report in the margin the probable
income expected to be realised at each
of the toll-gates, if a toll of 4 annas
on each laden cart and 2 annas on each
unladen cart be levied on both incoming
and outgoing traffic.

1. Malavalli Taluk	Rs. 1350
2. Nandipur Taluk	Rs. 500
3. Channarayana Taluk	Rs. 900

2. The District Board at its ²⁷ meeting

held on the 26th February 1910 has agreed

to the proposal of the Sarek Board to

locate the toll-gate at Kalugur instead

of at Madaburu.

3. A Sketch containing all the
information required by the Government
is herewith sent.

4. The file of Vermaclure Papers
on the subject is submitted for reference
and obliging return when no longer required.

One statement

OFFICE OF THE PRESIDENT OF DISTRICT AND
MUNICIPAL BOARDS, MYSORE DISTRICT,
Dated, Mysore 13th September 1910.

From

M. Kantaraj Urs Esq. B.A.

President of District and

Municipal Boards, Mysore District.

To

C. S. Balasundaram Iyer Esq. B.A.

Officially Secretary to Government,

General and Revenue Departments.

Sir,

With reference to your doc-

ket No. 10876 of the 9th June -
L.B.414.08.7

1910, calling for further informa-

tion in re the establishment

of toll-gates on the marginally

noted roads,

I have the

honor to ~

state as fol.

lures

2. The Taluk Board of Cha-

marajanagar were, at

1. Kowlandi Kollegal road
2. At the junction of
Maddur-Sivasamu-
-dram & Talabud Siva-
samudram roads
3. Madapur Kaliyur
roads.

their meeting ~~held~~ on the 6th August 1910, come to the conclusion that the establishment of a toll-gate near Ponte-Moro really will harass the traffic according to the Point established at the place. But my own opinion is that it will not, as the purchasers of the cordials and not the importers, Corkmen will be ultimately charged with the amount which may after all be something inappreciable.

3. The Executive Engineer of the Mysore Division in his letter no 805 of the 19th

July 1910 that only the por-
tion of the Wandande-Tol
legal road lying within
our Province is main-
tained by the District
Board and that it is not
understood who main-
tains the portion of the
road lying within the
Galandur Jalveji Taluk.
It may well be presumed
that the same is main-
tained by the Jalveji
whom it seems unnece-
sary to consult for the open-
ing of a toll-gate within the
limits of the Mysore State.

3. The Taluk Board of
Malavalli have at their
meeting held on the 7th

37

August 1910 considered
it fair to open a toll-gate
near the one established
by the Jhalajordar of Nira
Samudrum. The Nira
Swasamudrum road
is twenty-nine miles
long and is maintained
from the Provincial
funds at an annual
cost of Rs 4350. The traf-
fic on the road is very
heavy owing to the Kanery
Power Works at the Bluff.
When the Jhalajordar who
maintains only a small portion
of the road between the Island
and Kollegal is allowed to have
a toll-gate, it is not understood
why our Government should

rich feel justified the opening a toll-gate within their own Territory to meet the cost of maintenance of the road.

Besides we have established our toll-gates near the British frontiers in other parts of the District, though not in so close a proximity to British toll-gates.

5. The Taluk Board of T. Narsipur have at their meeting on the 17th August 1910, come to the conclusion that it is necessary to open a toll-gate on the Madapur-Kaliyur road to meet the expenditure for its maintenance. The road was formed by the District Board at a somewhat

39

great cost of about Rs 6000
and it is now in a fairly
trippable condition. If it is
not maintained by annual
repairs, it will fall into dis
repair and the money laid
on it will be a waste. To
maintain it, additional
funds are required, and
there is no reason why
the amount required
should not be secured
by the levy of tolls on
traffic plying on the road
for whose benefit it has
been opened

b. A statement show
ing the kind of vehicles

And animals on which
it is proposed to levy tolls
and the fees at which
the same will be levied
is herein enclosed. The
income from each of
the toll-gates is estimated
at about Rs 1000/- per
annum, the cost of
constructing toll-gates
and houses will be Rs
3000/-, and the establish-
ment at each gate for
one or two years will cost
Rs 300/- per year, after which
the collections may be
formed and to great ad-
vantage. I may be

permitted to bring to the
notice of Government
that the traffic that
passes through the pro-
posed toll-gates on the
frontiers of Gelandur
and Swasumburu
Ganyers is not only con-
fined to the Ganyer area
but it is mostly for the
adjoining Howushin
British Taku of Kollal

7 The file of Vernacular
papers on the subject
accompanies for re-
ference and ob-
liging return when

done with.

I have the honor to be
Sir

Your most obedient servant

correspondence ending
with letter no. 160 dated 13 September
1910 from the Deputy Commissioner,
Mysore recommending for
the proposals of the District Board.

ORDAR THEREON. No.

Two
to establish toll gates at places
on the margin
noted against the marginally
noted roads and submitting
a statement showing the nature
of the vehicles and animals on which
over.

SUBJECT:

and the rates at which
tolls are proposed to be levied
at those places

Order thereon 6555-783414 ad-

of 12.3.12

The proposal to
establish a toll gate at Kaliyar
on ^{the} Madapur - Kaliyur road.
in the D. Narasipur Taluk and
to levy tolls on Vehicles and
passing ^{there} ~~it~~ ^{the} animals at rates mentioned
in the Statement hereto appended
~~is~~ ^{is} sanctioned.

Government consider it
inexpedient to open ^{for} ^{sh} toll gates
at the other two places as the
levy of tolls thereat will, unnecessarily
harass the traffic along the roads -
The collection of tolls at Kaliyur
in the D. Narasipur Taluk should
be managed departmentally till
sufficient experience is gained
to ~~farmer~~ lease out the same on contract
The President is requested to submit detailed
